

## DOCUMENT #28

The Blueprint System™ - Management Series

# Absentee Owner Model

---

Run 5-10 businesses from your laptop anywhere in the world

## The True Passive Income Formula

- Work 10 hours/week per business
- Manage through systems, not presence
- Scale to \$10M+ portfolio
- Live anywhere while cash flows
- Sell for 20-30% premium (no owner dependency)

## The 4 Pillars of Absentee Ownership

### Pillar 1: The Right Business Model

| Great for Absentee  | Avoid These   |
|---------------------|---------------|
| Commercial cleaning | Restaurants   |
| Property management | Retail stores |

|                             |                       |
|-----------------------------|-----------------------|
| Laundromats                 | Personal services     |
| Parking lots                | Medical practices     |
| Self-storage                | Construction          |
| Vending routes              | Custom manufacturing  |
| Service routes (pest, lawn) | High-touch consulting |

### Key characteristics needed:

- Recurring revenue model
- Simple operations
- Low customer touch
- Systemizable processes
- B2B preferred over B2C

## Pillar 2: The Management System

### General Manager Requirements:

- Industry experience (5+ years)
- P&L responsibility history
- Tech-savvy for reporting
- Incentive alignment critical

### Compensation Structure:

Base Salary: \$60-80k + Performance Bonus: 10-20% of EBITDA growth +  
Retention Bonus: \$10k/year after year 2 = Total Comp: \$80-120k for good

GM

## Building Your Remote Management System

### Daily Dashboard (5 minutes)

- ☐ Plan upcoming week

### Monthly Deep Dive (2 hours)

- ☐ Full P&L review
- ☐ Customer satisfaction scores
- ☐ Employee reviews
- ☐ Competitive analysis
- ☐ Growth initiatives

## Technology Stack for Remote Management

| Function            | Tool                | Purpose                 | Cost/Month |
|---------------------|---------------------|-------------------------|------------|
| Financial Tracking  | QuickBooks + Fathom | Real-time P&L           | \$100      |
| Operations          | Monday.com          | Task management         | \$50       |
| Communication       | Slack               | Team chat               | \$40       |
| Time Tracking       | Hubstaff            | Productivity monitoring | \$60       |
| Customer Management | HubSpot             | CRM + automation        | \$100      |
| Security Cameras    | Nest/Ring           | Remote monitoring       | \$30       |

### The "Trust but Verify" System

#### Financial Controls:

- Dual approval on expenses >\$500
- You control bank account
- Credit cards with limits
- Daily cash reports
- Surprise audits quarterly

#### Operational Controls:

- Mystery shopper monthly
- Customer surveys automated
- GPS on vehicles

- Time clock software
- Random video check-ins

## Case Study: 7 Businesses, 10 Hours/Week

### My Current Portfolio

| Business            | Revenue     | Time/Week     | GM Comp       | My Profit     |
|---------------------|-------------|---------------|---------------|---------------|
| Commercial Cleaning | \$1.2M      | 2 hrs         | \$75k         | \$120k        |
| Pest Control Route  | \$800k      | 1.5 hrs       | \$65k         | \$95k         |
| Laundromat (2)      | \$600k      | 1 hr          | \$45k         | \$85k         |
| Vending Route       | \$400k      | 1 hr          | \$40k         | \$60k         |
| Parking Lots (5)    | \$500k      | 0.5 hrs       | \$35k         | \$140k        |
| Property Mgmt       | \$900k      | 2 hrs         | \$70k         | \$110k        |
| Mobile Car Wash     | \$600k      | 2 hrs         | \$55k         | \$75k         |
| <b>TOTAL</b>        | <b>\$5M</b> | <b>10 hrs</b> | <b>\$385k</b> | <b>\$685k</b> |

**Location: Bali → Dubai → Portugal (changes monthly)**

## The Acquisition Filter

### Only Buy Businesses That Score 8+

| Criteria                | Points        | Your Score |
|-------------------------|---------------|------------|
| Recurring revenue >60%  | 2             | —          |
| B2B customers           | 1             | —          |
| Simple operations       | 2             | —          |
| Manager in place        | 2             | —          |
| Systems documented      | 1             | —          |
| No license requirements | 1             | —          |
| Technology enabled      | 1             | —          |
| Low seasonality         | 1             | —          |
| <b>TOTAL</b>            | <b>11 max</b> | —          |

## Building Management Depth

### The Management Ladder

#### Level 1: General Manager

- Runs day-to-day operations

- Manages team of 5-20
- Reports to you weekly

### **Level 2: Assistant Manager**

- Backs up GM
- Handles scheduling
- Customer service lead

### **Level 3: Team Leads**

- Department specialists
- Quality control
- Training new employees

**Key: Always have a successor identified**

## **Remote Crisis Management**

### **When Things Go Wrong From Afar**

#### **Emergency Response Protocol:**

1. GM handles first response (trained scenarios)
2. Immediate notification to you
3. Video call within 1 hour
4. Local advisor on standby (lawyer, consultant)
5. Fly in if needed (rare)

#### **Common Remote Crises:**

- Key employee quits → Promote assistant, hire temp
- Major customer complaint → GM visits, you call
- Equipment failure → Pre-approved vendor list
- Cash flow issue → Remote banking access

- Legal issue → Local attorney on retainer

## Incentive Alignment Structures

### Keep Your GM Motivated

#### Phantom Equity Plan:

- 5-10% of business value growth
- Vests over 3-5 years
- Paid on sale or annually
- Golden handcuffs effect

#### Performance Bonuses:

| Metric              | Target | Bonus |
|---------------------|--------|-------|
| Revenue growth      | 10%+   | \$5k  |
| EBITDA margin       | 20%+   | \$5k  |
| Customer retention  | 90%+   | \$3k  |
| Employee retention  | 80%+   | \$2k  |
| No safety incidents | 0      | \$2k  |

## The Exit Premium

## Why Absentee Businesses Sell for More

### Buyer Benefits:

- Proven systems in place
- Management team stable
- True passive investment
- Scalable model
- No founder dependency

### Valuation Impact:

- Owner-operated: 2.5-3.5x EBITDA
- Absentee-run: 4-5x EBITDA
- **Premium: 30-50% higher value**

## 10 Commandments of Absentee Ownership

1. **Systems over heroes:** Document everything
2. **Trust but verify:** Controls and audits
3. **Pay well:** Good people aren't cheap
4. **Communicate constantly:** Over-communicate remotely
5. **Visit quarterly:** Show face periodically
6. **Empower decisions:** Don't micromanage
7. **Measure everything:** Data drives decisions
8. **Build redundancy:** No single points of failure
9. **Stay close to numbers:** Financial discipline
10. **Plan your exit:** Build to sell always

# Scaling to 10+ Businesses

## The Portfolio Approach

### Centralized Functions:

- Accounting/bookkeeping
- HR and payroll
- Marketing strategy
- IT support

### Time Allocation at Scale:

- 1-3 businesses: 10 hrs/week each
- 4-6 businesses: 5 hrs/week each
- 7-10 businesses: 3 hrs/week each
- 10+ businesses: Hire portfolio CEO
